

# A Message from THE SPRINGS

## Here are some updates and prayer requests:

- **Finances** are still tight but God has provided each month through the gifts of many people. Cash flow is still tight but the bills are being paid.
- Attendance in our **summer camp program** has been up each year since 2006.
- Every weekend the retreat center is being used, except Easter and Thanksgiving. Pray for our families and staff as we work hard and put in long hours. Pray for health and strength. We have experienced quite a bit of sickness this winter already.
- Pray for this summer that we will have **many campers!**
- Pray for the **summer staff** that are applying right now. That we will know which ones we should hire.
- Pray for many **volunteers** that are needed this summer! Young and old alike!
- Pray for **EJ** as she finishes out her school year at Skeels Christian School.
- Pray for **Jeremiah Parks and Meredith Geselman**, maintenance and food service directors, that they would excel in their areas and serve the guest well.
- Pray for the **interns, Josh Decker, Ricky Brooks and Tasha Loomis**, that they would serve in their positions well and would enjoy their year here. Pray for wisdom as they contemplate what is next for them.
- Pray for the **Camp Board** as they meet in a few weeks, that they would have wisdom as they make decisions.
- Pray for the upcoming **Ladies Retreat**. April 15-17, 2010. That it would be well attended.

### Volunteers Needed

**We need lots of volunteers this springs and summers! If you have any available day to come and help there is always a project going on. We would be grateful for any volunteers in these areas:**

Gardening  
Landscaping  
Building and remodeling  
Painting  
Office work/computer work  
Cleaning  
Mowing  
Kitchen Help  
Wood Cutting
