

Dear Friend of The Springs,

We are looking forward to another summer of camp. We love to see campers come to camp and feel that it is a great place learn about God and meet new friends. Even now we are planning new and exciting things to do summer 2010. As many of you know The Springs offers scholarships to campers that can't afford to come to camp. The money that we give away is money that we work all year to raise. It is important that we raise even more this year.

This winter we wanted to offer a way for you to become involved in The Springs Ministries . On February 27 at Gateway Lanes in Clare, Michigan we are going to have a bowl-a-thon. This will be a great chance for you to help The Springs raise money for the scholarship fund. This will also be a great time to see your friends again.
