

Greetings, Family and Friend!

I am about to embark on a twelve-hour excursion that will help thousands of people experience a life-changing camping ministry. The Springs: A year around camp and retreat center is working hard to impact lives. I have decided to help The Springs by participating in the Golf Fundraising Marathon.

Other golfers and I will rise early on May 31 and attempt to play 100 holes of golf before the sun sets. We will swing, putt, chip and kick (if necessary) that little white ball all day long in this exciting one-day effort to raise funds for The Springs.

This is the tenth anniversary year The Springs has run a golf marathon. It is their desire to see the ministry move forward. The money raised will go for a number of different projects. Foremost is to scholarship campers. Then your gift will help on some new construction projects two of which are new cabins on camp side and a new activity center on the retreat center side. Most importantly your gift will make a significant difference as the ministry continues focus on impacting people for Christ.

I challenge you to financially sponsor me for every hole I play. I am sponsoring myself at \$1.00 per hole. After the event you will receive a letter informing you about your pledge total, based on the number of holes I played. Your tax deductible gift will go a long way to advance this vital ministry.

Thank you for allowing me to share this opportunity with you. A response card is attached. Please fill it out completely, including the amount you would like to pledge, and mail it today. I will check with you in the next few days to answer any questions and see what your response will be.

Involved because it matters,
