

Memorial Day Work Weekend

May 25-28, 2018

Arrive anytime Friday evening, ice cream will be served around 7pm.
The weekend ends with lunch on Monday.

Families working together to make The Springs Ministries a better place!

No cost to you, but an offering will be taken on Sunday to cover the cost of the meal and projects.

Projects for everyone: cleaning, baking, sewing, mowing, raking, gardening, building, organizing, painting, roofing, shoveling, helping, repairing, babysitting, and much more!

Arrive Friday night, work on Saturday, enjoy a relaxing Sunday with activities around camp, work on Monday morning, eat lunch and go home tired, but it's a good tired!

This weekend is a favorite! The summer staff is here and our focus is on getting ready for a summer of ministry. Come enjoy a weekend of transformation as projects are completed.
