

Dan Kohns
Executive Director

DEAR PARENTS AND CAMPERS,
As a staff, we are already getting ready for another summer! We have begun to develop our summer camp theme, create new games and activities, and hire staff.
We want a week of camp to be so fun that campers will say, "It's the best week of my summer!" As well as fun, a week of camp is focused on spiritual and personal growth. Camp is about trying new activities in a group setting, but most of all, growing in their walk with the Lord. The Bible is central to what we teach, and each chapel is focused on expanding campers' knowledge and challenging them to go home and live differently.
Safety is very important to us. We spend three weeks in training, which includes CPR, First Aid and Lifeguarding. We strive to create an atmosphere where activities will be fun and safe. We are licensed by the State of Michigan and follow state guidelines for health and safety, food service, activities and hiring staff.
We look forward to Summer 2026! After reading through the brochure, if you have any questions, please feel free to contact us.
This summer will be Martha and my 23rd summer at The Springs and 34 years in Christian Camping. We absolutely love this ministry, the staff and the many, many campers who have attended throughout the years. We value your decision to entrust your campers with us!

More Info

The Springs is a Christian Summer Camp. We offer programs for campers as young as 4 years old up to graduated seniors. Located in Gladwin, MI on 300 acres, camp offers a natural setting as well as a community of others who want to learn and grow in their faith. God's Word, the Bible, is taught and studied throughout the week by both campers and staff. Our staff go through extensive training and have a heart for summer camp!
